REFLECTION FROM DEACON STEVE URBAN

Proverbs 8:22-31
Romans 5:1-5
John 16:12-15

If you watch TV, you have been bombarded by Subway sandwich commercials featuring a new campaign slogan that states "Eat Fresh Refresh". In reflecting on today's Gospel reading, scripture scholar Patricia Datchuck Sanchez says that Jesus promises us the gift of the Holy Spirit who will "refresh" the good news that Jesus gave us while on earth. On this Sunday, the Solemnity of the Holy Trinity, we need a refresher on the power of the Holy Spirit in our lives. The Holy Spirit helps us reconnect to Jesus and his life and ultimately to the Father who sent the Son. What we need most in our lives is the "refreshment" of the life and love of the Trinity. This divine life of the Trinity is what guides us, nourishes us, and propels us forth to lead our daily lives. Today we not only think about the Trinity, but we are invited to participate in the life of the Trinity.

In our first reading from Proverbs, we hear this personification of wisdom. Wisdom was not just a quality for God, but wisdom was a playmate and a craftsman for God present when God created the world. This playmate finds delight in human persons. And, as scripture scholar T. Maertens says, wisdom brings to the present eternal joys and truth. No longer did the Jewish people have to wait and hope for happiness. God was fulfilling this present moment with joy and hope. So too, in our lives, the Trinity brings us joy and life if we open ourselves to living in relation to God and other persons.

In the second reading from Paul's letter to the Romans, scripture scholar Sanchez says Paul has laid out for this triadic structure of Christian experience of the Trinity. As Paul says, the love of God has been poured into our hearts. The love of God is made manifest in Jesus and is continually experienced in the Holy Spirit. So while the doctrine of Trinity is not explicitly mentioned in the Scriptures, it is implicitly brought forth throughout the Bible. This passage is a marvelous example of that revelation.

We see that implicit reference to the Trinity in this Gospel passage from John. In the last line of today's pericope, Jesus says everything the Father has is mine. He then states that the Spirit will take what is his and declare to the disciples. Again we see the community of three persons united in love and working as one to bring about salvation.

So what can we take from these readings on this Solemnity of the Holy Trinity. As the Trinity is a community of three persons united in love, so we have to make our relationships with other people the foundation of our Christian life. We have to make present in a concrete way the love of God. Love has to be what orders our lives. Love has to be what drives us. Love has to be the goal and summation of all we do. Living in true self-surrendering love is what makes us Trinitarian people. Everyday God gives us ways to love another more deeply, but often we are so immersed in ourselves that we miss these opportunities. Let's pray that we can see and respond to the love of God poured into our hearts.

~ Deacon Steve

A Family Perspective ...by Bud Ozar

The words of Jesus in today's gospel, "I have many things to say to you, but you cannot hear them now." could have been said by any parent. It can be frustrating because our desire to guide is often misinterpreted or poorly received. We cannot program our children. We can only teach, lead and trust the Spirit of truth will guide them.

3rd Annual Tour die Kapellen (Tour of the Chapels) will be held on July 9. Come explore the historical churches and beautiful landscapes of Northwest Kansas. Early Bird Fees before June 15. Registration now open. For more information, visit www.tourdiekapellen.com.

"Please vote YES on the Value Them Both amendment that is up for a vote on August 2nd. A YES vote restores our Kansas Constitution to the way it was before an extreme court ruling cleared the path for nearly unlimited and unregulated abortion in Kansas. A YES vote protects existing restrictions on the abortion industry. A YES vote on Value Them Both is supported by a great many Kansas healthcare professionals because commonsense regulations ensure women will be safer, healthier, and more protected. Make sure you are registered to vote by July 12. Advance voting in person or by mail begins July 14. You may NOW request a vote-by-mail ballot (advance voting) from your county election officer. To learn more, go to: www.ValueThemBoth.org"
